Minimum of \$1 of the Delivery Charge goes to the driver. Sometimes more. The rest goes to Zeeks and is used to partially cover costs like paper, plastics and insurance specifically associated with delivery and to pay fair and competitive wages and benefits to our crew members. Catering Gratuities are automatically applied to catering orders for the convenience of our customers. Catering Gratuities are split 85% to Drivers and Delivery Expeditors, 15% to Kitchen. Catering Gratuities are shown as a separate line item on the receipt of applicable orders. If you don't see it, it wasn't applied.
