FEATURING SALT BLADE NORTHWEST CURED MEATS

Nobody in the Northwest does it better than Salt Blade. The exclusive pepperoni and salami picante mix featured on these pies is some of the best cured meat we have tasted anywhere. The meat comes from barley fed pigs and grass fed beef at Olsen farms in Colville, WA. It couldn't be any more pure. The chiles in the picante come from Tonemaker Farm in Woodinville. Order these with confidence. A Northwest flavor explosion awaits.
